

# Installing Adobe Digital Editions

## What Is Adobe Digital Editions?

- Adobe Digital Editions is a free program that is required to download and manage digital content, and read or transfer content to a portable eReader device such as a Nook (not including NOOK HD, NOOK HD +, NOOK Tablet and NOOK Color). (Note that the Amazon Kindle does not require this software-Kindle books are delivered to your device through your Amazon Kindle account.)
- It is only necessary to install Adobe Digital Editions **once**, **BEFORE** downloading your first library eBook.
- If you plan on reading eBooks on your **mobile device** (including NOOK HD, NOOK HD +, NOOK Tablet and NOOK Color, iPhone / iPad / Android / Blackberry / etc.), you **do not** need Adobe Digital Editions. Download the free **OverDrive Media Console app** instead.

### **Installing Adobe Digital Editions**

1. **BEFORE** checking out your Adobe EPUB or Adobe PDF eBook, visit <u>www.adobe.com/products/digitaleditions</u>, or visit our website at <u>http://baycountylibrary.lib.overdrive.com</u> and click on **Help**, where you will see a link for installing Adobe Digital Editions under **Software**.

2. From the Adobe Digital Editions home page, choose **Download now**.

**3.** Choose Download for Windows.

#### 4. Choose Run.

#### And choose Run again when prompted.

5. Check the box accepting the terms in the License Agreement, and choose Next.

6. In the pop-up boxes, leave the default information selected, click Next, and then click Install.
