

Discover Your Roots

Family History Research for Beginners

Co-Sponsored by
Bay County Library System
Bay County Genealogical Society

Have you always wanted to research your family history, but don't know how? This hands-on workshop will give you the basic tools you need to discover your roots.

You'll learn how to:

- *Research your family history*
- *Find your family in the Census using Ancestry Library Edition*
- *Find vital records and organize your research*

Friday, November 13

9:30 - 11:30 am

in the

**Alice & Jack Wirt Public Library
Computer Lab**

Pre-registration is REQUIRED.

**Call the AJWPL Reference
Department at 893-9566 ext. 2200.**
