

Bay City Holiday Light Recycling

Bay City Recycles will be collecting holiday light strands for recycling **through January 18th**.

Residents can drop off strings of lights in the designated collection carts during regular business hours at the following locations:

- **Bay City Hall** - 301 S Washington Ave, Bay City
- **Bay City Electric Light & Power** - 900 S Water St, Bay City
- **Wirt Library** - 500 Center Ave, Bay City
- **Sage Library** - 100 E Midland St, Bay City
- **Clements Electric** - 204 S Dean St, Bay City
- **Saginaw Basin Land Conservancy** - 1008 Johnson St, Bay City
- **Midland Recycling** - 4305 E Ashman St, Midland

ACCEPTED: Any type of holiday **STRING** lights including LEDs, mini-light strings, twinkle lights, rope lights, working or not.

NOT ACCEPTED: packaging, individual light bulbs, string reels, extensions cords, etc.

This program is being provided in partnership with Resourceful Recycling in Chesaning, who will process the lights for proper recycling.
