Job Description
PUBLIC SERVICES LIBRARIAN I

NATURE OF POSITION

This position will perform professional tasks related to library work with patrons of all ages. This position may be responsible for the operations of the library in the absence of the Managing Librarian. This position works under the general supervision of the Managing Librarian. Emphasis will be on reader's advisory, collection development and programming for children.

ESSENTIAL FUNCTIONS: REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES

1. Promote and further the purpose and objectives of the Bay County Library System
2. Ability to create and/or perform story times, crafts, programs and puppet shows
3. Demonstrated knowledge of children's literature
4. Must have good people skills and/or good customer service skills
5. Must be able to follow directions, meet deadlines, perform required responsibilities and possess strong organizational skills
6. Ability to effectively communicate clearly and interact with children, parents, teachers, and library staff
7. Have skills and abilities needed to effectively lead, train, supervise, and discipline personnel appropriately
8. Work with patrons, co-workers, and supervisors in a manner that is positive, supportive, cooperative, and in the best interest of the library
9. Be proficient in the application and operation of appropriate hardware and software for the automated circulation system and database
10. Become proficient in operation of equipment in performance of duties, i.e. computers, multi-line phones, fax, photocopy and other machinery
11. Bend, twist, lift, and interfile books and other library materials on shelving units up to 90" in height, transport books and A/V materials from one location to another
12. Carry library materials, supplies and equipment weighing up to 30 pounds on a regular and repetitive basis and be able to push carts holding similar materials throughout the work site

EXAMPLES OF POSITION RESPONSIBILITIES

(Any one position may not require all of the responsibilities listed, nor do the listed examples include all tasks that may be necessary in positions of this class.) Promote and further the purpose and objectives of the Bay County Library System using professional library principals, methods, materials and practices.

1. Plan and develop activities and programs for children such as story times, book discussion, puppet shows, summer reading programs, etc.
2. Represent the library as a Children's Librarian in outside community activities as assigned
3. Visit elementary, middle and high schools, child care centers, and community groups to explain and promote the public library Children's services
4. Perform reference and reader's advisor service for children
5. Instruct children in library skills
6. Conduct tour and orientation sessions at the library as requested
7. Advise adult patrons in the selection of reading materials for children
8. Prepare booklists and bibliographies
9. Keep abreast of developments and applications of library technology
10. Assist in training and supervision appropriate personnel
11. Search the Internet and other on-line sources for materials
12. Attend pertinent meetings and professional workshops
13. Perform other library or departmental duties as assigned

MINIMUM QUALIFICATIONS

Master's degree in Library Science, including the study of children's literature, from an A.L.A. accredited college. Work experience in a public library setting is preferred. Equivalent combination of experience and education may be accepted.
