

Returning eLibrary Items Early

Items borrowed from the eLibrary are automatically “returned” at the end of your checkout period.

If you’d like to return something early* so that you can check out another title, or to make it available for another patron, you can return your eBook(s) early in the following ways.

***Please note that eAudiobooks may only be returned early when using the OverDrive Media Console Mobile App.**

Amazon Kindle or Kindle Apps:

1. Sign into your Kindle account at www.amazon.com/manageyourkindle
2. Select the **Actions** button next to the eBook you want to return.
3. Click **Return This Book**.
4. Click **Yes** to verify that you want to return the eBook

For Adobe Digital Editions + non-Kindle eReader (such as a Nook):

1. Open Adobe Digital Editions
2. Select the **Library View** icon (in the upper left corner). The Adobe Digital Editions Library is displayed
3. Under the **Bookshelves** heading, select **Borrowed**
4. Click the eBook you want to return
5. Click the **Item Options** arrow (in the upper left corner of the selected eBook)
6. Select **Return Borrowed Item**
7. Click **Return** to verify that you want to return the eBook

For OverDrive Media Console Mobile App for iPad/iPhone:

1. Open the App
2. Click on the Edit button (top left corner)
3. Click on the minus sign next to the title you want to return
4. Click on the delete button to the right of the title you want to return
5. Click on return and delete

For OverDrive Media Console Mobile App for Android:

1. Tap and HOLD the eBook you want to return. The title menu will be displayed.
2. Tap **DELETE** to display return options
3. Tap **RETURN AND DELETE**
The title is returned and deleted.

For OverDrive Media Console Mobile App for BlackBerry:

1. Select the eBook you want to return
2. Select **Menu > Delete** to display the return options
3. Select **RETURN AND DELETE**
The title is returned and deleted.

For OverDrive Media Console Mobile App for Windows Phone 7:

1. Swipe across the eBook you want to return. A Delete button is displayed next to the title.
2. Tap **DELETE** to display the return options
3. Tap **RETURN AND DELETE**.
The title is returned and deleted.
