

# Installing Adobe Digital Editions

## What Is Adobe Digital Editions?

- Adobe Digital Editions is a free program that is required to download and manage digital content, and read or transfer content to a portable eReader device such as a Nook. *(Note that the Amazon Kindle **does not** require this software- Kindle books are delivered to your device through your Amazon Kindle account.)*
- It is only necessary to install Adobe Digital Editions **once**, before downloading your first library eBook.
- If you plan on reading eBooks on your **mobile device** (iPhone / iPad / Android / Blackberry / etc.), you **do not** need Adobe Digital Editions. Download the free **OverDrive Media Console app** instead.

## Installing Adobe Digital Editions

1. After checking out your Adobe EPUB or Adobe PDF eBook from <http://baycountylibrary.lib.overdrive.com>, choose the link that reads **Click here to download the software needed to use this Adobe EPUB (or Adobe PDF) eBook title.**

**Download**

The following title(s) are now available for download:

	<b>The Crystal Shard</b> The Legend of Drizzt Series, Book IV	Checked out on: Dec 29, 2011 Expires on: Jan 12, 2012
	Adobe EPUB eBook (3066 kb)	
	<a href="#">Click here to download the software needed to use this Adobe EPUB eBook title.</a>	
	<input type="button" value="Download"/>	

2. Select **Get Adobe Digital Editions**

**Help - Software - Adobe EPUB eBooks**

 To download Adobe® Digital Editions, click here.

(Steps 1 & 2 may be skipped by going directly to [www.adobe.com/products/digitaleditions](http://www.adobe.com/products/digitaleditions))

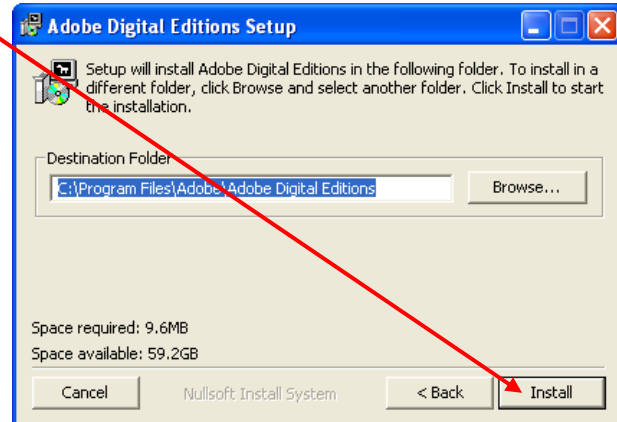

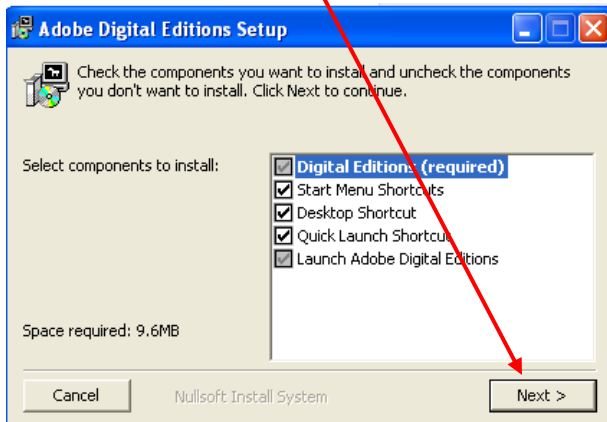

**3. Scroll down to the Adobe Digital Editions Installer and click Install.**

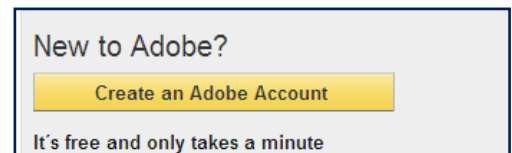

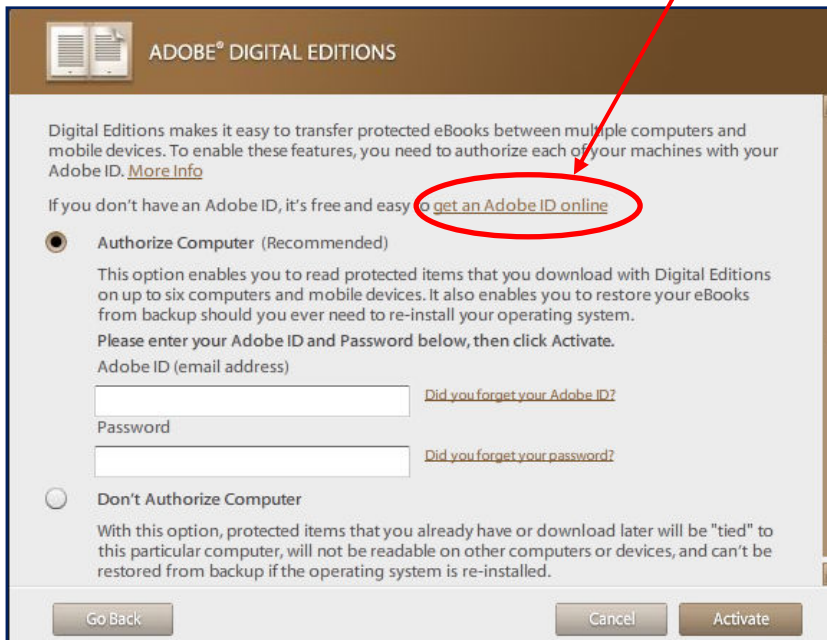

**4. Click Install again, and then click Yes to download and continue the installation of Adobe Digital Editions.**

5. In the pop-up boxes, leave the default information selected, click **Next**, and then click **Install**.

6. Adobe Digital Editions will launch and the **Setup Assistant** will prompt you to authorize your computer with an **Adobe ID** (email address and password). You **must** select **Authorize Computer** if you wish to transfer eBooks to an eReader.
7. If you don't have an Adobe ID, click on **Get an Adobe ID** online, then **Create an Adobe Account** on the Adobe website.

8. Once you have created an Adobe ID, return to Adobe Digital Editions and enter your **Adobe ID (email address and password)**, then click **Activate**.
  
9. You've now finished installing and activating Adobe Digital Editions. You can return to <http://baycountylibrary.lib.overdrive.com> to complete the checkout process by downloading and transferring your eBook to your eReader device.
