

BAY COUNTY LIBRARY SYSTEM

DESIGNATION OF AGENT POLICY

The Board of Trustees of the Bay County Library System, acting to preserve the property both real and personal of the library and to provide a safe environment for library users and staff, recognizes and designates the law enforcement agencies within Bay County, including the Michigan State Police, as agents of the library for purposes of investigating the destruction of library property, or other illegal acts committed on or against library property and for purposes of enforcing the Bay County Library Ordinance and Rules of Conduct Policy.
