A note from the Director

Happy New Year! With the start of a new year it is a time to reflect on the past year and look ahead to the future. 2025 was fun filled with programming for all ages, new collections added, author visits, reading programs and outreach. Looking ahead to 2026 we are excited to share with you our reformatted newsletter! With the updated format we will be able to share additional information on programs, services, outreach and more. To kick off the year BCLS is excited for the Winter Reading Program to start January 5th with the theme "Glide Into Reading." The programming and services you have grown to love will continue, but we hope to add some new and exciting ones to the calendar as well. (Be sure to stay updated by receiving our newsletter!) We look forward to seeing you visit your local branch or bookmobile this year or out in the community at an outreach event. Make sure to say hi if you see us out and about!

Thank you for your continued support of the Bay County Library System throughout the years whether it was by checking out books, attending programs, using a computer, donating items for the book sale, or just stopping by to be in a warm and friendly atmosphere. We appreciate you as our patrons and hope to continue to be an integral part of the Bay County community and your daily lives. Here is to a great year ahead!
