New Children’s Department Head – Dena Moscheck has been hired as the new Children’s Department Head at Wirt Library. She will fill the position held by Mary Schoberth, who recently retired from BCLS. D. Moscheck comes from Lapeer District Library where she worked with the public, both in the library and outreach services. She will begin on July 1.

T. Burns shared the Raising Readers backpacks, created by Mary Schoberth that cover an age range from pre-K to early elementary age children.

New Board Member – Paul Travis was appointed to the Bay County Library System Board of Trustees at the June County Commissioners meeting. He is retired from the Bay City School System where he both taught and then held the position of elementary principal. T. Burns will meet with P. Travis before the July board meeting.

Summer Reading Program – The Summer Reading Program (SRP) began on June 10. Kickoff activities were successfully held at all branches. Currently there are over 6,600 sign ups. The Auburn staff collaborated with the Farmers Market and the City of Auburn to have their kickoff as a real community gathering. A DJ, bounce house, Touch-A-Truck activities, ice cream, police and fire responders and more were available for everyone. This is the first time a kickoff for SRP was held with the community. T. Burns congratulated the staff members at all branches for their energy and dedication to the SRP programs.

Building and Grounds Maintenance – Workers are repairing and replacing boards on the gables on the roof at Sage. Because of the wet weather, work has been stop and start but should be finished by July. Using the heavy lift to get to the roof has proven problematic due to the saturated ground. After the repairs are made, because of the treated materials used, the gables will need to weather for a few months, then will be painted in the fall.

Motion by F. Quinn, seconded by D. Carlyon, to receive the Administration Report. Motion carried.
